Vista SNAP

Graceful aluminium frame

Spring-System Snap Frames

- LGP illuminated snap signs
- Non-illuminated snap signs
- Extraordinary Exclusive design
- For posters and promotional info
- Quick and easy graphic changing

Meet Vista Snap – Extraordinary designed spring-system snap frames for posters and promotional information, supporting rapid and easy change of graphics. One look at Vista Snap frames, with the sleek metallic look clarifies beyond a shadow of a doubt that these are no ordinary Snap frames that you have ever seen before.

Design

Vista Snap was developed to widen the array of wayfinding solutions for the business sector. The system provides a flexible and elegant solution, including a flat platform for your message, based only on 2 spring-based profiles and exists also as an illuminated version. The subtle, minimalistic look of the Aluminum profiles on both sides, turns Vista Snap into the unicorn of the advertising world.

Graphics

Changing graphic substrates in Vista Snap frames is quick and easy to do. This feature makes it the perfect sign for your marketing or advertising promos, such as special sales, events or shows.

Usage

Snap frames can be with or without illumination, with a substantial variety of sizes, suitable for impressive, visual content at restaurants, hotels, shopping malls, etc.

Illuminated Snap Signs

Grab the attention of visitors with Vista Snap illuminated frames. These come at either Portrait or Landscape orientation. Light is evenly dispersed to enhance any colorful graphics impressively conveying your promotional message.

Non-Illuminated Snap Signs

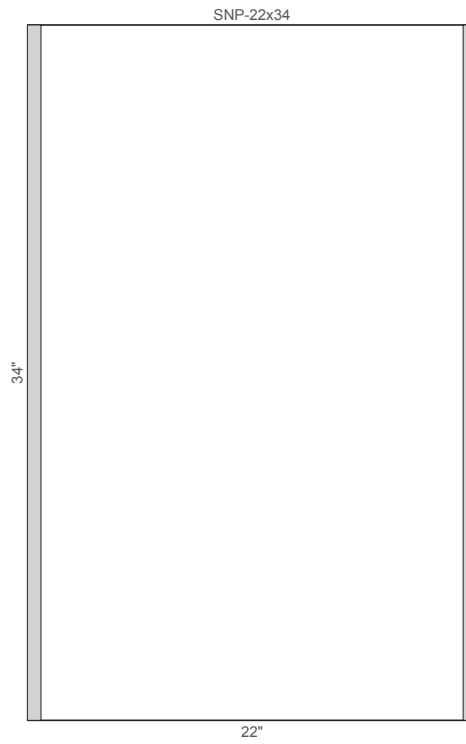

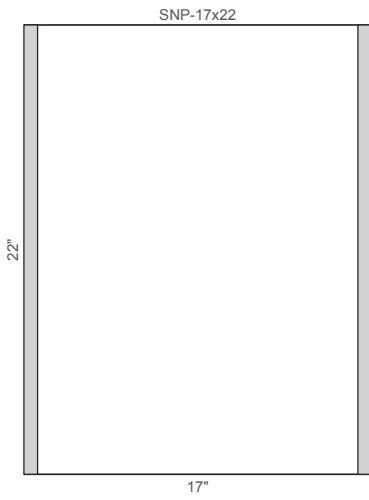

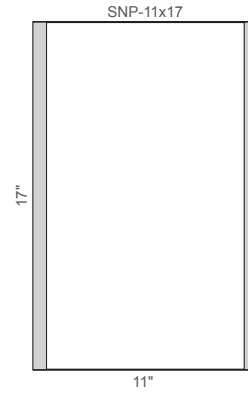

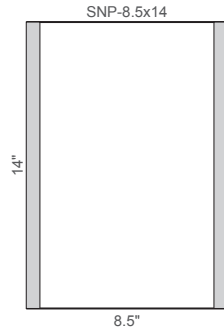

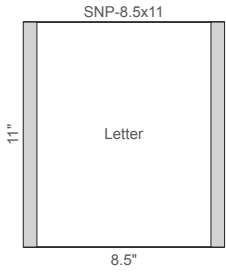

The non-illuminated version of Vista Snap frames is lightweight, exquisite and cost-effective, turning it into a big hit in promotional advertising and one of the most popular products for projects in the retail sector.
